Internal Communication

Verso

News from the Employer

Quick sharing of important messages, updates, and news within the company.

Ask Your Employer

A safe space for employees to ask questions and share suggestions with management.

My Feed

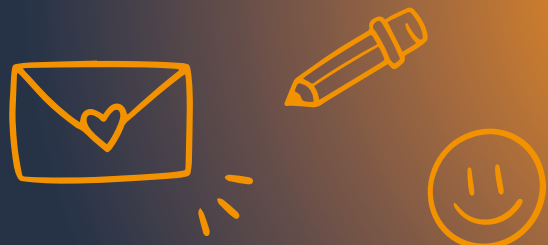

The feed contains all key information and activities.

Message sending

Direct messaging between colleagues brings them closer together and speeds up internal communication.

Where and when can you use the package?

When a company is going through a **period of change** (e.g., a merger or the integration of new leadership),

it becomes even more important to communicate effectively with employees.

When **implementing employee survey results**.

This clearly shows employees that you are listening to their feedback and acting on it.

If you have employees working in a **hybrid working model**.

Remote work can make it challenging to maintain effective internal communication and employee engagement. Verso's features help keep employees connected, informed, and engaged.

When you want your employees to receive **important information on time**.

You can deliver key company information in a clear, organized way, all in one place.

Company Experiences

"Thanks to Verso, the readership of our internal news has doubled. Employees simply enjoy the new tools and modules. And it shows."

Martin, HR Manager, Healthcare Facility

"We benefit greatly from our employees' suggestions and feedback, and we're committed to acting on them. The 'Ask the Employer' feature has proven very effective for us."

Leona, CEO of a manufacturing company

"The most popular module here is definitely Photoboard. Employees from all departments upload photos and actively comment on them. Employee engagement has grown significantly."

Václav, HR Specialist, Trading Company

Verso Package Internal communication.

And you no longer have to search for important information.
