Search colleague

Sometimes, there are so many colleagues in a company. In this module, you can easily find them by name or by their interests.

Personal Profile

It serves as an employee profile and helps you get to know your colleagues better, find out who loves rock music, or who is a passionate sports fan.

Anniversaries

Is one of your employees celebrating a special occasion, whether it's a birthday or a work anniversary? Join them in celebrating. Our automated greeting system will make sure the message is sent.

Badges

Even adults love motivational games. Get them involved in fun activities and badge collecting.

Photoboard

A collection of photos from events and workshops, as well as everyday moments from work life. Employees can upload photos and leave comments.

Carpool

Carpool to and from work, as well as for longer journeys, such as business trips. All of this helps the environment, saves money, and strengthens relationships in the workplace.

Where and when can you use the package?

This package completes your employee **onboarding process**.

Newcomers will have access to key information in a convenient app.

It ensures that your employees always have all the **important information** they need, right on time.

It supports **talent management**.

After all, talented and successful candidates are drawn to technological innovations.

It reduces high employee **turnover**.

Satisfied employees will stay with you and have no reason to leave.

It will help address employee **dissatisfaction** or even apathy.

Let your employees know that you care about their opinions. Use the Poll feature to ask them questions, and the Praise feature to provide positive feedback.

It **strengthens teamwork**.

Bring colleagues together, use praise, the power of games, and a sense of competition. And much more!
